LIMITED EDITION L200 BARBARIAN SVP II

The Mitsubishi L200 Barbarian SVP took the UK by storm, so we've built on this success to bring you the all new special edition L200 Barbarian SVP II.

Like the original version, the L200 Barbarian SVP II is instantly recognisable with its unique eye-catching two tone colour scheme and we've also made significant enhancements to the interior and exterior.

On the outside, the vehicle boasts 17-inch bespoke black and orange alloy wheels with BF Goodrich all-terrain tyres covered by aggressive wheel arch extensions. Exterior features such as roof rails, front grille accent, front and rear light bezels, door handle recess covers and tailgate handle are all picked out in orange, which adds to the vehicle's distinctive style and allows it to stand out from the crowd.

The interior follows suit, with orange accented panelling, stitching and piping on the Barbarian inspired 'six-pack' leather seats with Limited Edition vehicle number stitched into the headrests. A unique 'SVP' embossed mat set with orange piping and orange illuminated door entry guards and front and rear foot well mood lighting completes the look. We've spared no expense on the specification of the interior also, with the Smartphone Link Display Audio (SDA) system, keyless operation, Bluetooth, cruise control and a reversing camera.

Only 250 will be produced with half available in pearlescent Diamond Black and the other half in metallic Atlantic Grey, so visit your Mitsubishi dealer today to secure your exclusive vehicle.
